Bottles IN LARGE

FORMAT

There is much to be said about bottles in large format. These fun-sized containers of wine are named after biblical kings such as the *Salmanazar*, named after an Assyrian ruler from the 700's. The *Salmanazar* is a 9 liter bottle equal to 12 bottles; a full case of wine! A quote many have recited in regards to big bottles is, "A magnum is the perfect size bottle for two people out to dinner if only one person is drinking". Enjoy!

Some would say Paul Draper's wine is Bordeaux of California, especially the famed reds of Monte Bello Estate. Mr. Draper made fine California wine through simplicity; by honoring the site from which the fruit is grown and capturing that harmony in bottle. We are proud to present a collection of Zinfandel—a variety Mr. Draper helped raise to high standards—in recognition of a rich career. In 2016 after nearly 45 vintages of influential California wine, the Chicago Native of Barrington packed away his pruning sheers for good. Please enjoy our rare and limited selection of wines with rich history from *GEYSERVILLE, LYTTON SPRINGS, and MAPLE VINEYARD.*
