Bottles IN LARGE

F O R M A T

There's much to be said about large format bottles. These fun-sized bottles are named after biblical kings such as the 9 liter *Salmanazar* which is the amount of one quote many have recited is, "a magnum is a perfect sized bottle for two people out to dinner if only one person is drinking".

PAUL DRAPER

Some would say Paul Draper's wine is Bordeaux of California, especially the famed reds of Monte Bello Estate. Mr. Draper made fine California wine through simplicity; by honoring the site from which the fruit is grown and capturing that harmony in bottle. We are proud to present a collection of Zinfandel—a variety Mr. Draper helped raise to high standards—in recognition of a rich career. In 2016 after nearly 45 vintages of influential California wine, the Chicago Native of Barrington packed away his pruning sheers for good. Please enjoy our rare and limited selection of wines with rich history from *GEYSERVILLE, LYTTON SPRINGS, and MAPLE VINEYARD.*
